

PROMENADE

Welcome Aboard Promenade!

Picture yourself waking up each morning in a serene and tranquil bay. Your coffee and breakfast are being prepared while you ponder whether to go for a morning swim or settle down with a good book. The aroma of freshly baking bread fills the air. Promenade, with exceptional service, is the cruising vacation you'll wish would never end!

Promenade's sleek and stable design offers unrivaled comfort and space. Sailing is a pleasure as you glide over the sparkling azure waters in one of the most beautiful and sheltered cruising grounds in the world, the British Virgin Islands.

On Prom

enade...

We have more fun!

Chart the courses of the great explorers Columbus and Sir Francis Drake and discover uninhabited islands and cays. Drop anchor off palm fringed beaches or coves. Visit harbors in which notorious pirates like Blackbeard and Captain Kidd once held court, where colorful West Indian architecture now delights the eye.

Relax completely on the vast deckspace afforded by Promenade's tri-hull design, or, at your whim, enjoy the many recreational activities on board. Step ashore for a little beach combing along the water's edge or to visit a local boutique. The choice is yours.

Daily indulgence in our exotic tropical cocktails can be a memorable experience, as is our superb cuisine, prepared from a gourmet's pantry, stocked with your requests in mind. Fine wines and spirits for you to savor are carried in our carefully selected cellar.

Delight in the personal attention of a responsive and thoroughly professional crew whose greatest interest is that this should be your best and most refreshing vacation ever.

SPECIFICATIONS

L.O.A. 65' • Beam 34' • Draft 5'6"
